

LED HIGH POWER BULBS

LED HIGH POWER BULBS 大功率球泡灯

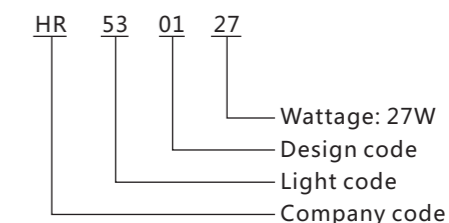

HR5301
27W / 36W / 80W / 120W

Product Features :

- Combined fins and copper pipe heat dissipation mode and cool natural wind increase heat dissipation area, together with aluminum substrate heat dissipation structure, to guarantee terrific heat dissipation performance, high impact resistance.
- Surface mounting type for LED particles, low energy consumption, high luminous efficiency, low power consumption.
- Superior polycarbonate diffuser, no ghost image, no glare, anti-vibration, no cracking.
- Constant current drive power have good electromagnetic compaticity ,safe and no interference.

Model :

Application Area :

- Widely used in stairs, washroom, passageway, club, hotel, home lighting, entertainment venues, mall, office etc..

| Model | Product Dimension |
|------------|-------------------|
| HR5301-27 | |
| HR5301-36 | |
| HR5301-80 | |
| HR5301-120 | |

| Model | Power | Luminous flux | Color temperature | Color rendering | Lampshade Material | Lamp holder | Input voltage | Weight |
|-------------|-------|---------------|-------------------|-----------------|--------------------|-------------|---------------|--------|
| HR5301-27Z | 27W | 2430Lm | Natural White | 75 | PC | E27 | AC100-240V | 0.42kg |
| HR5301-27N | 27W | 2295Lm | Warm White | 80 | PC | E27 | AC100-240V | 0.42kg |
| HR5301-36 | 36W | 3240Lm | Natural White | 75 | PC | E40 | AC100-240V | 1.06kg |
| HR5301-36 | 36W | 3060Lm | Warm White | 80 | PC | E40 | AC100-240V | 1.06kg |
| HR5301-60Z | 60W | 5400Lm | Natural White | 75 | PC | E40 | AC100-240V | 1.45kg |
| HR5301-60N | 60W | 5100Lm | Warm White | 80 | PC | E40 | AC100-240V | 1.45kg |
| HR5301-80Z | 80W | 7200Lm | Natural White | 75 | PC | E40 | AC100-240V | 1.45kg |
| HR5301-80N | 80W | 6800Lm | Warm White | 80 | PC | E40 | AC100-240V | 1.45kg |
| HR5301-120Z | 120W | 10800Lm | Natural White | 75 | PC | E40 | AC100-240V | 2.95kg |
| HR5301-120N | 120W | 10200Lm | Warm White | 80 | PC | E40 | AC100-240V | 2.95kg |
